All about the Teacher
Hello! I’m so excited to meet all of you! This is my second year teaching at Fiddlers Elementary. It is also my second year teaching 4th grade! I previously taught 3rd and 5th grade in Castle Dale, Utah, where I lived for 14 years. I have two children, Carlee (21) and Zak (18), they are both going to college at Dixie State in St. George, Utah. I also have a cute cat named Millie. My hobbies include going to spending time with my kids, dinner with friends, camping, kayaking, and hanging out with my fiancé, Joel, and his 3 children.
Dear Families,

Welcome back to a new school year! My name is Ms. Anderson and I will be your child’s teacher this year. I am so happy to welcome you to our classroom! 4th Grade grade is a very busy year filled with lots of fun and exciting learning opportunities. I am very excited about what is in store for your child this year, and I look forward to working with you as well.

Because of COVID-19, I don’t have as much information as I would like about the upcoming school year. In this packet, I have attached information on how to sign up with Remind. This is the communication platform we will be using this year. I would encourage you to sign up quickly, and I will get information to you through Remind as soon as I have it.

I look forward to a fun-filled year with your child. I have many exciting things planned and can’t wait to get started!

Sincerely,
Ms. Anderson
SUPPLY LIST

3 notebooks (science, math, language arts). Please buy the black and white speckled composition notebooks.

1 folder with pockets to keep unfinished work in desk.

Pencils (Ticonderoga brand), sharpened.

Scissors

Glue sticks (These will be handed out 1 at a time. The rest will be sanitized and handed out as needed.)

Crayons (24 pack)

Expo Dry Erase Markers (2)

I have purchased small bags for students to keep their supplies in. These bags can be sprayed with disinfectant and sanitized, so you will not need a pencil box this year. I have also purchased a set of earbuds that will be individually stored for each student. They will also receive a whiteboard eraser, highlighter, and erasers to keep in their pencil bag.

We will not be sharing supplies this year because we will be following the CDC guidelines for Covid-19. Please do not send extra items because our desk space is very limited, and each student must keep everything in their own desk. Thank you for your cooperation while buying supplies. We are excited to start the year, and want to do our part in keeping everyone happy and healthy.
Our class will use the website/app Remind to stay connected. Please sign up for Remind as soon as possible. I will relay information to you as soon I get it. I can also answer questions and listen to concerns. I know this year is full of uncertainties, and I want you to be able to contact me whenever you need to. Please follow the instructions below to get text messages from me.

Text the message @9e9ghf to the number 81010.

If you’re having trouble with 81010, try texting @9e9ghf to (812) 645-5099.

I can also be reached via telephone at (435) 590-8175. My email is Jaime.Anderson@ironmail.org

Please contact me if you need anything.
